** About half of our teachers have volunteered to use their prep time to conference with families. Please inquire about teacher availability when calling to schedule your appointment.*

Pre-scheduled conferences: 20 minutes and may involve as many of your student's teachers as you would like. Call 360-313-3403 to schedule.

Drop-in conferences: No scheduled appointment needed. These conferences are less formal and are of varying lengths of time up to 20 minutes.

Conferences are most beneficial when your student attends. Please make sure your student brings his/her backpack, student planner, binder, and iPad to the conference.

While these time are set aside specifically for conferences, you may schedule a conference with your student's teachers at other times during the school year. Please call or email teachers directly to set up meetings outside of these times.

We look forward to meeting with you and your student!
